**ATTACHMENT TO PROOF OF CLAIM OF ANNA SCHWARTZ, ZOLTAN  
SCHWARTZ, DEBORAH LANDMAN AND ELI LANDMAN**

1. Anna Schwartz, Zoltan Schwartz, Deborah Landman and Eli Landman are filing this proof of claim as the lessors (the "Landlord") of the premises located at the Fort Steuben Mall, Steubenville, Ohio and referred to as Store number 3733 (the "Leased Premises").
2. Circuit City Stores, Inc. ("Circuit City" or the "Debtor"), filed a Chapter 11 voluntary petition for relief under Title 11 of the United States Code on November 10, 2008 (the "Petition Date"). By *Order Pursuant to Bankruptcy Code Sections 105(a), 365(a) and 554 and Bankruptcy Rule 6006 Authorizing Rejection of Certain Unexpired Leases of Nonresidential Real Property and Abandonment of Personal Property* dated March 3, 2009, the Debtor rejected its lease of the Leased Premises effective as of February 23, 2009 (the "Rejection Date"). As more fully described below, the Debtor was and still is indebted to the Landlord in the aggregate amount of at least \$815,536.80 under and in connection with the lease as described below.
3. Pursuant to a certain Lease Agreement dated June 18, 1999 (the "Lease"), Circuit City leased the Leased Premises from CC Investors #17, L.P., as landlord. Pursuant to a certain Assignment and Assumption of Lease dated March 2000 (the "Assignment"), CC Investors #17, L.P. assigned its rights as landlord under the Lease to the Landlord. Attached hereto and

incorporated herein by reference as Exhibits A and B are copies of the Lease and the Assignment, respectively. Pursuant to its terms, the Lease was set to expire on June 30, 2021.

4. The Landlord has fully performed its obligations under the Lease. The Debtor remains liable to the Landlord for pre-petition rent, pre-petition and post-petition taxes, rejection damages and other charges and damages as follows:

(i) \$25,591.67 as a general unsecured claim, representing the amount due for the October 2008 rent;

(ii) \$7,677.50 as a general unsecured claim, representing the amount due for the unpaid pre-petition portion of the November 2008 rent;

(iii) \$10,568.19 as a general unsecured claim, representing the amount of accrued but unpaid taxes for the first half of 2008;

(iv) \$7,556.98 as a general unsecured claim, representing the amount of unpaid taxes for the second half of 2008 that accrued prior to the Petition Date;

(v) \$3,011.21 as an administrative expense claim, representing the amount of unpaid taxes for the second half of 2008 that accrued after the Petition Date;

(vi) \$3,127.03 as an administrative expense claim, representing the amount of unpaid 2009 taxes that accrued prior to the Rejection Date; and

(vii) \$673,624.80 as a general unsecured claim, representing the amount of the Landlord's rejection claim pursuant to Bankruptcy Code § 502(b)(6).

Attached hereto and incorporated herein by reference as Exhibit C is a schedule of the aforementioned amounts due and owing to the Landlord from the Debtor, including a calculation of the Landlord's § 502(b)(6) claim.

5. In addition, pursuant to Section 23 of the Lease, among other things, the Debtor was obligated to turn over the Leased Premises to the Landlord in the same condition, i.e., in good repair and appearance, in which the Leased Premises were originally received from the Landlord at the commencement of the Lease but failed to do so. Pursuant to Section 9 of the Lease, among other things, the Debtor is liable to the Landlord for any damages and expenses

incurred as a result thereof. Further, as set forth in Section 20(c) of the Lease, among other things, the Landlord is entitled to recover reasonable and actual expenses incurred in recovering possession of the Leased Premises, placing the same in good order and condition and repairing the same for reletting. Also, pursuant to the aforesaid and other provisions of the Lease, the Landlord is entitled to reimbursement of its legal fees and expenses incurred in connection with this matter. Accordingly, the Debtor is liable to the Landlord for the following amounts:

- (i) \$450 for actual expenses incurred to date in connection with the repair of the Leased Premises, as set forth in the invoice attached hereto as Exhibit D;
- (ii) \$3,429.43 in legal fees incurred by Landlord to date in connection with this matter, as set forth in the invoices attached hereto as Exhibit E;
- (iii) \$80,500 representing the estimated cost for repair of existing damages to the Leased Premises, as set forth in the schedule attached hereto as Exhibit F.

6. By reason of the foregoing, the Debtor is liable to the Landlord in the aggregate amount of not less than \$815,536.80, including \$6,138.24 as an administrative expense claim.

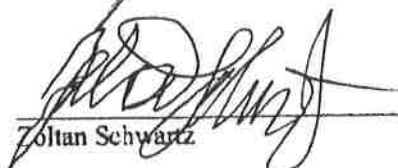

7. In executing and filing this claim, the Landlord does not submit itself to the jurisdiction of this Court for any purpose other than with respect to this claim, and does not waive (i) any of its rights and remedies against any other person or entity who may be liable for all or part of the claims set forth herein, whether an affiliate, assignee, guarantor or otherwise, of the Debtor, (ii) any other obligation owed to the Landlord, (iii) any past, present or future defaults (or events of default) by the Debtor, or (iv) any right to seek to withdraw the reference with respect to the subject matter of this claim or any objection, counterclaim or other proceeding commenced with respect thereto. The filing of this proof of claim is not an election of remedies.

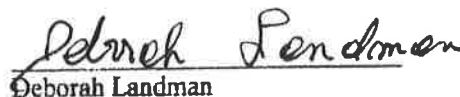

*[The remainder of this page is intentionally left blank.]*

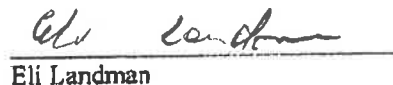

8. Landlord expressly reserves the right to amend or supplement this proof of claim  
in any respect at any time, including, without limitation, in respect of additional amounts.

Dated: March 20, 2009

If Tenant shall timely give such notice of its election to cancel any renewal option, then all options with regard to subsequent extensions or renewals of the Term shall expire and be null and void.

4. Rent.

(a) Tenant shall pay to Landlord or Lender, if directed by Landlord, as annual rent for the Leased Premises during the Term, including, without limitation, during any Requisition Period, the amounts determined in accordance with the schedule set forth in Exhibit "B" attached hereto and made a part hereof ("Basic Rent"), which rent shall be paid in equal monthly installments commencing on the last business day of the first month next following the Commencement Date and continuing on the last business day of each month thereafter during the Term (the said days being called the "Basic Rent Payment Dates"), and shall pay the same at Landlord's address set forth below, or at such other place or to such other person or persons (not exceeding four (4) in number) and in such proportions as Landlord from

time to time may designate to Tenant in writing, in funds which at the time of such payment shall be legal tender for the payment of public or private debts in the United States of America and if required by Lender by wire transfer in immediately available federal funds to such account in such bank as Lender shall designate from time to time. Pro rata Basic Rent for the period from the Commencement Date to the first day of the month next following the Commencement Date shall be computed as set forth in Exhibit "B" and shall be paid in advance on the Commencement Date, except that if the Commencement Date shall occur on the first day of a calendar month, the full monthly installment of Basic Rent shall be paid on the last business day of the month in which the Commencement Date shall occur.

(b) If any installment of Basic Rent is not paid on the date due, Tenant shall pay Landlord interest on such overdue payment at the Default Rate, accruing from the due date of such payment until the same is paid.

(c) Tenant shall pay and discharge before the imposition of any fine, lien, interest or penalty may be added thereto for late payment thereof, as Additional Rent during the Term, including but not limited to, any Requisition Period, all other amounts and obligations which Tenant assumes or agrees to pay or discharge pursuant to this Lease, together with every fine, penalty, interest and cost which may be added by the party to whom such payment is due for nonpayment or late payment thereof. In the event of any failure by Tenant to pay or discharge any of the foregoing, Landlord shall have all rights, powers and remedies provided herein, by law or otherwise, in the event of nonpayment of Basic Rent.

5. Net Lease: True Lease. (a) It is the intention of the parties hereto that the obligations of Tenant hereunder shall be separate and independent covenants and agreements, and that Basic Rent, Additional Rent and all other sums payable by Tenant hereunder shall continue to be payable in all events, and that the obligations of Tenant hereunder shall continue unaffected, unless the requirement to pay or perform the same shall have been terminated pursuant to an express provision of this Lease. This is a net Lease and

Basic Rent, Additional Rent and all other sums payable hereunder by Tenant shall be paid without notice or demand, and without setoff, counterclaim, recoupment, abatement, suspension, deferment, diminution, deduction, reduction or defense. This Lease shall not terminate and Tenant shall not have any right to terminate this Lease, during the Term (except as otherwise expressly provided herein). Tenant agrees that, except as otherwise expressly provided herein, it shall not take any action to terminate, rescind or avoid this Lease notwithstanding (i) the bankruptcy, insolvency, reorganization, composition, readjustment, liquidation, dissolution, winding-up or other proceeding affecting Landlord, (ii) the exercise of any remedy, including foreclosure, under the Mortgage, (iii) any action with respect to this Lease (including the disaffirmance hereof) which may be taken by Landlord under the Federal Bankruptcy Code or by any trustee, receiver or liquidator of Landlord or by any court under the Federal Bankruptcy Code or otherwise, (iv) the Taking of the Leased Premises or any portion thereof (except as specifically provided in Paragraph 12(b) below), (v) the prohibition or restriction of Tenant's use of the Leased Premises under any Legal Requirement or otherwise, (vi) the destruction of the Leased Premises or any portion thereof, (vii) the eviction of Tenant from possession of the Leased Premises, by paramount title or otherwise, or (viii) default by Landlord hereunder or under any other agreement between Landlord and Tenant. Tenant waives all rights which are not expressly stated herein but which may now or hereafter otherwise be conferred by law to quit, terminate or surrender this Lease or any of the Leased Premises; to any setoff, counterclaim, recoupment, abatement, suspension, deferment, diminution, deduction, reduction or defense of or to Basic Rent, Additional Rent or any other sums payable under this Lease, except as otherwise expressly provided herein; and for any statutory lien or offset right against Landlord or its property.

(b) It is the intent of Landlord and Tenant and Landlord and Tenant agree that this Lease is a true lease and does not represent a financing arrangement. Each party shall reflect the transaction represented hereby in all applicable books, records and reports (including

income tax filings) in a manner consistent with "true lease" treatment rather than "financing" treatment.

(c) Tenant shall pay directly to the proper authorities charged with the collection thereof all charges for water, sewer, gas, oil, electricity, telephone and other utilities or services used or consumed on the Leased Premises during the Term, whether designated as a charge, tax, assessment, fee or otherwise, including, without limitation, water and sewer use charges and taxes, if any, all such charges to be paid as the same from time to time become due. It is understood and agreed that Tenant shall make its own arrangements for the installation or provision of all such utilities and that Landlord shall be under no obligation to furnish any utilities to the Leased Premises and shall not be liable for any interruption or failure in the supply of any such utilities to the Leased Premises.

6. Title and Condition.

(a) The Leased Premises are demised and let subject to the Permitted Encumbrances and all Legal Requirements and Insurance Requirements, including any existing violation of any thereof; without representation or warranty by Landlord; it being understood and agreed, however, that the recital of the Permitted Encumbrances herein shall not be construed as a revival of any thereof which for any reason may have expired.

(b) Without limiting the effect of Landlord's covenant set forth in Paragraph 8(c), the Landlord makes no, and expressly hereby denies any, representations or warranties regarding the condition or suitability of, or title to, the Leased Premises. Tenant agrees that it takes the Leased Premises "as is," without any such representation or warranty.

(c) Landlord hereby conditionally assigns, without recourse or warranty whatsoever, to Tenant, all warranties, guaranties and indemnities, express or implied, and similar rights which Landlord may have against any manufacturer, seller, engineer, contractor or builder in respect of any of the Leased Premises, including, but not limited to, any rights and remedies existing under contract or pursuant to the Uniform Commercial Code

(collectively, the "guaranties"). Such assignment shall remain in effect so long as no Event of Default exists hereunder or until the termination of this Lease. Landlord shall also retain the right to enforce any guaranties so assigned in the name of Tenant upon the occurrence of an Event of Default. Landlord hereby agrees to execute and deliver at Tenant's sole cost and expense such further documents, including powers of attorney, as Tenant may reasonably request (and which in the good faith judgment of Landlord, do not adversely affect a substantial general interest of Landlord), in order that Tenant may have the full benefit of the assignment effected or intended to be effected by this Paragraph 6. Upon the occurrence of an Event of Default or termination of this Lease, the guaranties shall automatically revert to Landlord. The foregoing provision of reversion shall be self-operative and no further instrument of reassignment shall be required. In confirmation of such reassignment Tenant shall execute and deliver promptly any certificate or other instrument which Landlord may request at Tenant's sole cost and expense. Any monies collected by Tenant under any of the guaranties after the occurrence of and during the continuation of an Event of Default shall be held in trust by Tenant and promptly paid over to Landlord.

7. Taxes; Insurance and Legal Requirements.

(a) Tenant shall, subject to the provisions of Paragraph 18 hereof relating to contests, before interest or penalties are due thereon, pay and discharge all Taxes. Landlord shall promptly, but not to exceed twenty (20) days after receipt thereof, deliver to Tenant any bill or invoice it receives with respect to any Tax, and Landlord shall, following a transfer of the Leased Premises, notify the appropriate governmental authorities to deliver such bills or invoices directly to Tenant. Notwithstanding anything in this Lease to the contrary, if Landlord fails to comply with the foregoing obligations, Landlord shall be responsible for all interest, penalties or fees that accrue. Nothing herein shall obligate Tenant to pay, and the term "Taxes" shall exclude, federal, state or local (i) franchise, capital stock or similar taxes if any, of Landlord, (ii) income, excess profits or other taxes, if any, of

Landlord, determined on the basis of or measured by its net income, or (iii) any estate, inheritance, succession, gift, capital levy or similar taxes unless the taxes referred to in clauses (i) and (ii) above are in lieu of or a substitute for any other tax or assessment upon or with respect to any of the Leased Premises which, if such other tax or assessment were in effect at the commencement of the Term, would be payable by Tenant. In the event that any assessment against any of the Leased Premises may be paid in installments, Tenant shall have the option to pay such assessment in installments; and in such event, Tenant shall be liable only for those installments (and all resulting interest thereon) which become due and payable in respect of the Term. Tenant shall prepare and file all tax reports required by governmental authorities which relate to the Taxes. Tenant shall deliver to Landlord, within thirty (30) days of Landlord's request therefor, copies of all settlements and notices pertaining to the Taxes which may be issued by any governmental authority and receipts for payments of all Taxes made during each calendar year of the Term, within thirty (30) days after payment. In the event the Leased Premises do not constitute a separate tax parcel as assessed by the local jurisdiction, Tenant shall diligently take such action as is necessary to have the Leased Premises so designated and, if necessary to prevent the enforcement of a lien on the Leased Premises for non-payment of Taxes, shall pay all Taxes assessed upon the tax parcel of which the Leased Premises are a part.

(b) Tenant shall promptly comply with and conform to all of the Legal Requirements and Insurance Requirements, subject to the provisions of Paragraph 18 hereof.

8. Use.

(a) Tenant may use the Leased Premises for any lawful purpose other than any use that will (i) have a material adverse effect on the value of the Leased Premises, (ii) materially increase the likelihood that Tenant, Landlord or Lender would incur liability under any provisions of the Act referred to in Paragraph 26 of this Lease, or (iii) result or give rise to any material environmental deterioration or degradation of the Leased Premises. In no

event shall the Leased Premises be used for any purpose which shall violate any of the provisions of any recorded covenants, restrictions or agreements applicable to the Leased Premises or to any shopping center of which the Leased Premises may be a part. Tenant agrees that with respect to any such recorded covenants, restrictions or agreements, Tenant shall observe, perform and comply with and carry out the provisions thereof required therein to be observed and performed by Landlord.

(b) Subject to Tenant's rights of contest under Paragraph 18 hereof, Tenant shall not permit any unlawful occupation, business or trade to be conducted on any of the Leased Premises or any use to be made thereof contrary to applicable Legal Requirements or Insurance Requirements. Subject to Tenant's rights of contest under Paragraph 18 hereof, Tenant shall not use, occupy or permit any of the Leased Premises to be used or occupied, nor do or permit anything to be done in or on any of the Leased Premises, in a manner which would (i) violate any certificate of occupancy or equivalent certificate affecting any of the Leased Premises, (ii) make void or voidable any insurance which Tenant is required hereunder to maintain then in force with respect to any of the Leased Premises, (iii) affect in any manner the ability of Tenant to obtain any insurance which Tenant is required to furnish hereunder, (iv) cause any injury or damage to any of the Improvements unless pursuant to Alterations permitted under Paragraph 11 hereof, or (v) constitute a public or private nuisance or waste.

(c) Subject to all of the provisions of this Lease, so long as no Event of Default exists hereunder, Landlord covenants that neither it nor any party claiming by, through or under it, shall do any act to disturb the peaceful and quiet occupation and enjoyment of the Leased Premises by Tenant. Landlord may enter upon and examine any of the Leased Premises at reasonable times after reasonable notice and during business hours and exercise any rights and privileges granted to Landlord under the provisions of this Lease.

9. Maintenance and Repair.

(a) Except for any Alterations that Tenant is permitted to make hereunder, Tenant shall at all times, including, but not limited to, any Requisition Period, put, keep and maintain the Leased Premises, including, without limitation, the roof, landscaping, parking areas, walls (interior and exterior), footings, foundations and structural components of the Leased Premises, and the Adjoining Property, in good repair and appearance, and shall promptly make all repairs and replacements (substantially equivalent in quality and workmanship to the original work) of every kind and nature, whether foreseen or unforeseen, which may be required to be made upon or in connection with any of the Leased Premises in order to keep and maintain the Leased Premises in good repair and appearance. Tenant shall do or cause others to do all shoring of the Leased Premises or Adjoining Property or of foundations and walls of the Improvements and every other act necessary or appropriate for preservation and safety thereof, by reason of or in connection with any excavation or other building operation upon any of the Leased Premises or Adjoining Property, whether or not Landlord shall, by reason of any Legal Requirements or Insurance Requirements, be required to take such action or be liable for failure to do so. Landlord shall not be required to make any repair, whether foreseen or unforeseen, or to maintain any of the Leased Premises or Adjoining Property in any way, and Tenant hereby expressly waives the right to make repairs at the expense of the Landlord, which right may otherwise be provided for in any law now or hereafter in effect. Nothing in the preceding sentence shall be deemed to preclude Tenant from being entitled to insurance proceeds or condemnation awards for Restoration pursuant to the terms of this Lease. Tenant shall, in all events, make all repairs for which it is responsible hereunder promptly, and all repairs shall be in a good, proper and workmanlike manner.

(b) If Tenant shall be in default under any of the provisions of this Paragraph 9, Landlord may, after thirty (30) days notice to Tenant and failure of Tenant to commence to cure during said period or to diligently prosecute such cure to completion once begun, but immediately upon notice in the event of an emergency (that is, imminent danger of

injury to persons or property), do whatever is necessary to cure such default as may be reasonable under the circumstances for the account of and at the expense of Tenant. In the event of an emergency, before Landlord may avail itself of its rights under this Paragraph 9(b), Landlord shall send notice to Tenant of the situation by phone or other available communication. All actual and reasonable costs and expenses (including, without limitation, reasonable attorneys' fees and expenses) so incurred by Landlord, together with interest thereon at the Default Rate from the date of payment or incurring the expense, shall constitute Additional Rent payable by Tenant under this Lease and shall be paid by Tenant to Landlord on demand. Landlord and Tenant agree that, in the event of an emergency, expenditures which might otherwise be unreasonable (such as overtime) may nevertheless be reasonable under the circumstances.

(c) Tenant shall from time to time replace with other operational equipment or parts any of the mechanical systems or other equipment included in the Improvements which shall have become worn out, obsolete or unusable for the purpose for which it is intended, been taken by a Condemnation as provided in Paragraph 12, or been lost, stolen, damaged or destroyed as provided in Paragraph 14. Tenant shall repair at its sole cost and expense all damage to the Leased Premises caused by the removal of equipment or any other personal property of Tenant at any time, including upon expiration or termination of the Lease.

10. Liens. Tenant shall not, directly or indirectly, create or permit to be created or to remain, and shall promptly discharge, any lien on any of the Leased Premises, on the Basic Rent, Additional Rent or on any other sums payable by Tenant under this Lease, other than the Mortgage (and any assignment of leases, rents or profits collateral thereto), the Permitted Encumbrances and any mortgage, lien, encumbrance or other charge created by or resulting from any act or omission by Landlord or those claiming by, through or under Landlord (except Tenant).

11. Alterations. Tenant shall not make any Alterations which would result, after giving consideration to the completed Alteration, in a diminution in the value of the Leased Premises without Landlord's written consent. Tenant may make any other Alterations without the prior written consent of the Landlord provided such Alterations comply with all of the provisions of the following sentence. In the event that Landlord gives its prior written consent to any Alterations, or if such consent is not required, Tenant agrees that in connection with any Alteration (i) all such Alterations shall be performed in a good and workmanlike manner, and shall be expeditiously completed in compliance with all Legal Requirements, (ii) all work done in connection with any such Alteration shall comply with all Insurance Requirements, (iii) Tenant shall promptly pay all costs and expenses of any such Alteration, and shall discharge all liens filed against any of the Leased Premises arising out of the same, (iv) Tenant shall procure and pay for all permits and licenses required in connection with any such Alteration, (v) all such Alterations shall be the property of Landlord and shall be subject to this Lease, and (vi) any Alteration the estimated cost of which in any one instance exceeds Two Hundred Fifty Thousand Dollars (\$250,000.00) shall be made under the supervision of a licensed architect or engineer in accordance with detailed plans and specifications which shall be submitted to Landlord at least ten (10) days prior to the commencement of the Alterations. Upon completion of any Alteration in excess of \$250,000 Tenant will provide as-built plans and specifications or record drawings to Landlord and Lender.

12. Condemnation.

(a) Immediately upon obtaining knowledge of the institution of any proceeding for Condemnation, Tenant shall notify Landlord thereof and Landlord shall be entitled to participate in any Condemnation proceeding at Tenant's expense. Landlord, immediately upon obtaining knowledge of the institution of any proceeding for Condemnation, shall notify Tenant thereof and Tenant shall have the right to participate in such proceedings at its own expense. Subject to the provisions of this Paragraph 12 and Paragraph 15, Tenant

hereby irrevocably assigns to Lender or to Landlord, in that order, any award or payment in respect of any Condemnation of Landlord's interest in the Leased Premises, except that nothing in this Lease shall be deemed to require (i) the assignment to Landlord or Lender of any award or payment on account of Tenant's leasehold interest hereunder, Tenant's Trade Fixtures, or other tangible personal property, moving expenses and similar claims, if available, to the extent Tenant shall have a right to make a separate claim therefor against the condemnor or (ii) any act or circumstance that impairs Tenant's right to any such award or payment; it being agreed, however, that Tenant shall in no event be entitled to any payment that reduces the award to which Landlord is or would be entitled for the condemnation of Landlord's interest in the Leased Premises. Notwithstanding the foregoing, Tenant shall be entitled to any award or payment on account of Tenant's leasehold interest hereunder only in the event of a Condemnation described in Paragraph 12(b) below and then only to the extent that when such award, added to other awards to which Tenant is entitled hereunder, is subtracted from the entire award or payment in respect to all interests in the Leased Premises (that is the aggregate award to be shared by Tenant, Landlord and Lender, or their successors and assigns), the remainder exceeds \$3,652,000.00.

(b) If (i) the entire Leased Premises or (ii) at least ten percent (10%) of the Land or the building constructed on the Land, the loss of which even after restoration would, in Tenant's reasonable business judgment, be substantially and materially adverse to the business operations of Tenant, shall be subject of a Taking by a duly constituted authority or agency having jurisdiction, then Tenant shall, not later than sixty (60) days after a Taking has occurred, serve notice upon Landlord ("Tenant's Termination Notice") of its intention to terminate this Lease on any Basic Rent Payment Date specified in such notice, which date (the "Termination Date") shall be no sooner than the first Basic Rent Payment Date occurring at least thirty (30) days after the date of Tenant's Termination Notice. In the event that during the initial term Tenant shall serve such notice upon Landlord of its intention to terminate this

Lease on the Termination Date, Tenant shall, as part of such notice, offer (which offer may be rejected by Landlord as set forth below) to purchase the Leased Premises and the award, or if no part of the Leased Premises shall remain, the entire award for the applicable price computed in accordance with the schedule annexed hereto and marked Exhibit "C" (the "Purchase Price") plus all other amounts which may be due and owing to Lender or Landlord by reason of any default by Tenant in complying with its obligations under this Lease (the "Additions to Purchase Price"). If Landlord and Lender shall not elect to accept Tenant's said offer to purchase, Landlord shall give notice rejecting such offer to Tenant within thirty (30) days after the giving of Tenant's Termination Notice, in which case this Lease shall be terminated as above provided and the entire award made in the Condemnation proceeding shall be paid to Lender, or if there is no Lender, to Landlord. Landlord's notice to reject Tenant's said offer to purchase shall be void and of no effect unless accompanied by the written notice of Lender to the effect that Lender also elects not to accept Tenant's said offer to purchase. Should said notices of Landlord and Lender rejecting Tenant's said offer to purchase not be served within said period of thirty (30) days, then and in that event, the said offer shall be deemed accepted. In the event that Landlord and Lender shall accept or be deemed to have accepted Tenant's offer to purchase, title shall close and Purchase Price and Additions to Purchase Price shall be paid as hereinafter provided and in such event Tenant shall be entitled to and shall receive any and all awards then or thereafter made in the Condemnation proceeding and Landlord shall assign or in case of any award previously made, deliver to Tenant on the Closing Date (as hereafter defined) such award as may be made.

In the event Landlord and Lender shall accept Tenant's offer to purchase, or be deemed to have accepted Tenant's offer, title shall close on the Termination Date hereinbefore defined (the "Closing Date"), at noon at the local office of Landlord's counsel, or at such other time and place as the parties hereto may agree upon, this Lease shall be automatically extended to and including the Closing Date (or, if applicable, the extended Closing Date hereinafter

described) and Tenant shall pay the Purchase Price and Additions to Purchase Price by transferring immediately available federal funds to such account or accounts and in such bank or banks as Lender or Landlord, in that order, shall designate, upon delivery of a special warranty deed conveying the Leased Premises and all other required documents including an assignment of any award in connection with such Taking. The special warranty deed shall convey a good and clear record and marketable title, free from encumbrances other than (i) exceptions to title existing on the date hereof or otherwise entered into or consented to by Tenant, (ii) liens or encumbrances created or suffered through or by Tenant failing to observe or perform any of the terms, covenants or agreements herein provided to be observed and performed by Tenant, (iii) any installments of Taxes due and payable after the Closing Date, and (iv) this Lease. Such deed shall contain an agreement by grantee to observe and perform all of the covenants, conditions and restrictions contained in any instruments of record which were assumed by Landlord or deemed to have been assumed by Landlord on its acquisition of title. The acceptance of a deed by Tenant shall be deemed to be a full performance and discharge of every agreement and obligation on the part of Landlord to be performed pursuant to the provisions hereof. Tenant shall pay all conveyance, transfer, sales and like taxes, recording charges and fees, and title charges for any policy of title insurance required by Tenant, required in connection with the purchase. If on the Closing Date, there may be any liens or encumbrances which Landlord is obligated to remove, Landlord shall use reasonable efforts to remove the same, and the Closing Date shall be extended for a reasonable period to permit Landlord to discharge such liens or encumbrances. If by said extended Closing Date such liens or encumbrances shall not be removed and such liens or encumbrances shall be subordinate to a Mortgage, Tenant shall seek to purchase the Mortgage from the holder thereof at a price which shall in no event exceed the Purchase Price and Additions to Purchase Price, and the Leased Premises shall be conveyed by Landlord to Tenant subject to the Mortgage and in such event the amount payable by Tenant to the holder of the Mortgage shall be deducted

from the Purchase Price and Additions to the Purchase Price payable to Landlord. Landlord shall not be obligated to discharge any such lien or encumbrance if Tenant's title insurance company shall issue affirmative insurance to the effect that the same shall not be collected from or enforced against the insured premises. If there be any liens or encumbrances against the Leased Premises which Landlord is obligated to remove, upon request made a reasonable time before the Closing Date, Landlord shall provide at the Closing separate funds for the foregoing, payable to the holder of such lien or encumbrances.

In the event that during any renewal term Tenant shall serve Tenant's Termination Notice upon Landlord, this Lease and the Term hereof shall terminate on the Termination Date. In such event the entire award made in Condemnation proceeding shall be paid to Lender, or to Landlord, in that order.

(c) In the event of any Condemnation of part of the Leased Premises which does not result in a Termination of this Lease, subject to the requirements of Paragraph 15, the Net Award of such Condemnation shall be retained by Landlord and, promptly after such Condemnation, Tenant shall commence and diligently continue to perform the Restoration whether or not the Net Award shall be sufficient to do so.

Upon the payment to Landlord of the Net Award of a Taking which falls within the provisions of this subparagraph (c), Landlord and Lender shall, to the extent received, make that portion of the Net Award equal to the cost of Restoration (the "Restoration Award") available to Tenant for Restoration, in accordance with the provisions of Paragraph 15 and all Rent shall continue unabated. The balance remaining (the "net surplus award") shall be applied as follows: Tenant shall be entitled to that portion of the net surplus award equal to the present value (calculated at a discount rate equal to the Default Rate) of the following hypothetical streams of income: (a) a monthly payment at the end of each month during the initial term hereof in the amount of  $1/12$  of 9.25% of the net surplus award; (b) a monthly payment at the end of each month during the first renewal term in the amount of  $1/12$  of 10.17% of the net

surplus award; and (c) a monthly payment at the end of each month during the second renewal term hereof in the amount of 1/12 of 11.10% of the net surplus award. The remainder of the net surplus award in excess of that to which Tenant is entitled as set forth above shall be delivered to and become the property of Lender and Landlord, in that order.

In the event of a Requisition of any of the Leased Premises, Landlord shall apply the Net Award of such Requisition, to the extent available, to the installments of Basic Rent, Additional Rent or other sums payable by Tenant hereunder thereafter payable and Tenant shall pay the balance remaining thereafter. Upon the expiration of the Term, any portion of such Net Award that shall not previously have been credited to Tenant on account of the Basic Rent and Additional Rent shall be retained by Landlord, and all Rent shall continue unabated.

(d) Except with respect to an award or payment to which Tenant is entitled pursuant to the foregoing provisions of this Paragraph 12, no agreement with any condemnor in settlement of or under threat of any Condemnation shall be made by either Landlord or Tenant without the written consent of the other, and of Lender, if the Leased Premises are then subject to a Mortgage, which consent shall not be unreasonably withheld or delayed provided such award or payment is applied in accordance with this Lease.

13. Insurance.

(a) Tenant shall maintain at its sole cost and expense the following insurance on the Leased Premises:

(i) Insurance against loss or damage to the Improvements under an All Risk Policy, which shall include flood insurance and earthquake insurance, each to the extent applicable and which may contain such exclusions as are standard in the industry, in amounts to prevent Landlord or Tenant from becoming a co-insurer under the applicable policies, and in any event in amounts not less than the actual replacement cost of the Improvements (excluding footings and foundations and parts of the Improvements which are not insurable).

(ii) Contractual and commercial general liability insurance against claims for bodily injury, death or property damage occurring on, in or about any of the Leased Premises or the Adjoining Property, which insurance shall be written on a so-called "occurrence basis," and shall provide minimum protection with a combined single limit in an amount not less than Five Million (\$5,000,000) Dollars (or in such increased limits from time to time to reflect declines in the purchasing power of the dollar as Landlord may reasonably request).

(iii) Worker's compensation insurance covering all persons employed by Tenant on the Leased Premises in connection with any work done on or about any of the Leased Premises.

(b) During such time as no Event of Default is outstanding hereunder, and the tangible net worth of Tenant shall be not less than Seven Hundred Fifty Million (\$750,000,000.00) Dollars as determined in accordance with generally accepted accounting principles consistently applied, Tenant may self-insure the coverage referred to in Paragraph 13(a), provided that the self insurance program of this subparagraph (b) does not violate any Legal Requirements applicable to the Leased Premises or Tenant, and further provided that Tenant shall, at the commencement of any such self-insurance, deliver to Landlord a certificate stating that Tenant has elected to so self-insure together with evidence of Tenant's net worth.

(c) The insurance required by Paragraph 13(a) shall be written by companies having an investment grade claims-paying ability or higher, as such ratings are ascribed by Standard & Poor's rating service, during such time as Tenant is not self-insuring in accordance with the provisions of Paragraph 13(b). All companies providing insurance required by Paragraph 13(a) shall be authorized to do an insurance business in the State or otherwise agreed to by Landlord and Lender. Sums due from Tenant in lieu of insurance proceeds because of such self-insurance programs shall be treated as insurance proceeds for all purposes under this Lease. The insurance policies shall be for a term of not less than one year,

and shall (except for worker's compensation insurance) name Landlord, Tenant and any Lender as additional insured parties, as their respective interests may appear. If said insurance or any part thereof shall expire, be withdrawn, become void by breach of any condition thereof by Tenant or become void for any other reason, Tenant shall immediately obtain new or additional insurance reasonably satisfactory to Landlord and Lender.

(d) Each insurance policy referred to above shall, to the extent applicable, contain standard non-contributory mortgagee clauses in favor of any Lender. Each policy required to be carried by Tenant shall also provide that any loss otherwise payable thereunder shall be payable notwithstanding (i) any act or omission of Landlord or Tenant which might, absent such provision, result in a forfeiture of all or a part of such insurance payment, (ii) the occupation or use of any of the Leased Premises for purposes more hazardous than permitted by the provisions of such policy, (iii) any foreclosure or other action or proceeding taken by any Lender pursuant to any provision of the Mortgage upon the happening of an event of default therein, or (iv) any change in title or ownership of any of the Leased Premises.

(e) Tenant shall pay as they become due all premiums for the insurance required by this Paragraph 13, shall renew or replace each policy on or prior to the expiration date stated on the policy then in effect, and shall deliver to Landlord and Lender, a certificate or other evidence (reasonably satisfactory to Lender and Landlord) of the existing policy and such renewal or replacement policy simultaneously with such renewal or replacement. In the event of Tenant's failure to comply with any of the foregoing requirements of this Paragraph 13, Landlord shall be entitled to procure such insurance. Any sums expended by Landlord in procuring such insurance shall be Additional Rent and shall be repaid by Tenant, together with interest thereon at the Default Rate, from the time of payment by Landlord until fully paid by Tenant immediately upon written demand therefor by Landlord.

(f) Anything in this Paragraph 13 to the contrary notwithstanding, any insurance which Tenant is required to obtain pursuant to Paragraph 13(a)(i) may be carried under a "blanket" policy or policies covering other properties or liabilities of Tenant, provided that such "blanket" policy or policies otherwise comply with the provisions of this Paragraph 13. In the event any such insurance is carried under a blanket policy, Tenant shall deliver to Landlord and Lender a certified copy of those provisions of the blanket policy that pertain to the Leased Premises, if any, to evidence the issuance and effectiveness of the policy, the amount and character of the coverage with respect to the Leased Premises and the presence in the policy of provisions of the character required in the above sections of this Paragraph 13.

14. Damage. Destruction.

(a) In the event of any casualty loss exceeding \$100,000.00, Tenant shall give Landlord immediate notice thereof. Tenant shall adjust, collect and compromise any and all such claims, with the consent of Lender and Landlord, not to be unreasonably withheld or delayed and Landlord and Lender shall have the right to join with Tenant therein. If the estimated cost of Restoration or repair shall be Five Hundred Thousand (\$500,000.00) Dollars or less, all proceeds of any insurance required under Paragraph 13(a) shall be payable to Tenant, provided that Circuit City Stores, Inc., at such time shall have a tangible net worth of not less than Two Hundred Million Dollars (\$200,000,000.00) as determined in accordance with generally accepted accounting principles, consistently applied, and in all other events all proceeds shall be paid to a Trustee which shall be a federally insured bank or other financial institution, selected by Landlord and Tenant and reasonably satisfactory to Lender (the "Trustee"). If the Leased Premises shall be covered by a Mortgage, Lender, if it so desires, shall be the Trustee. Each insurer is hereby authorized and directed to make payment under said policies directly to such Trustee instead of to Landlord and Tenant jointly; and Tenant hereby appoints such Trustee as Tenant's attorney-in-fact to endorse any draft therefor for the

purposes set forth in this Lease after approval by Tenant of such Trustee, if Trustee is other than Lender, such approval not to be unreasonably withheld or delayed.

(b) In the event of any casualty (whether or not insured against) resulting in damage to the Leased Premises or any part thereof, the Term shall nevertheless continue and there shall be no abatement or reduction of Basic Rent, Additional Rent or any other sums payable by Tenant hereunder. The Net Proceeds of such insurance payment shall be retained by the above-mentioned Trustee and, promptly after such casualty, Tenant shall commence and diligently continue to perform the Restoration to the Leased Premises. Upon payment to the Trustee of such Net Proceeds, the Trustee shall, to the extent available, make the Net Proceeds available to Tenant for restoration, in accordance with the provisions of Paragraph 15. Tenant shall, whether or not the Net Proceeds are sufficient for the purpose, promptly repair or replace the Improvements as nearly as possible to their value and condition and character immediately prior to such event and otherwise in accordance with all Insurance Requirements and Legal Requirements and the provisions of this Lease (including Tenant's making any desired Alterations allowed hereunder) and the Net Proceeds of such loss shall thereupon be payable to Tenant, subject to the provisions of Paragraph 15 hereof.

(c) In the event that any damage or destruction shall be subject to the self insurance provisions provided for in 13(b), Tenant shall pay to the Trustee the amount of the proceeds that would have been payable had such self insurance program not been in effect (the "Tenant Insurance Payment").

15. Restoration. The Net Proceeds and the Tenant Insurance Payment (together being herein defined as the "Restoration Fund") paid to the Trustee shall be disbursed by the Trustee in accordance with the following conditions:

(a) At the time of any disbursement, no Event of Default shall exist and no mechanics' or materialmen's liens shall have been filed and remain undischarged and unbonded.

(b) If the cost of Restoration exceeds \$250,000.00 prior to commencement of the Restoration, the architects, contracts, contractors, plans and specifications for the Restoration shall have been approved by Landlord, which approval shall not be unreasonably withheld or delayed.

(c) Each request for disbursement shall be accompanied by a certificate of Tenant, signed by the President, Treasurer or any Vice President of Tenant, describing the completed work for which payment is requested, stating the cost incurred in connection therewith and stating that Tenant has not previously received payment for such work and the certificate to be delivered by Tenant upon completion of the work shall, in addition, state that the work has been completed and complies with the applicable requirements of this Lease and all Legal Requirements and Insurance Requirements.

(d) Disbursements shall be made from time to time in an amount not exceeding the cost of the work completed since the last disbursement upon receipt of (1) satisfactory evidence, including architects' certificates, of the stage of completion, of the estimated cost of completion and of performance of the work to date in a good and workmanlike manner in accordance with the contracts, plans and specifications approved by Landlord, (2) waivers of liens, (3) a satisfactory bring down of title insurance, and (4) other evidence of cost and payment so that Landlord can verify that the amounts disbursed from time to time are represented by work that is completed in place and free and clear of mechanics' lien claims.

(e) The Trustee may retain ten percent from each disbursement of the Restoration Fund until the Restoration is fully completed and the Leased Premises are available for their intended use, in the reasonable judgment of the Lender, including the issuance of any necessary certificate of occupancy.

(f) The Restoration Fund shall be kept in a separate interest-bearing account federally insured to the extent applicable by the Trustee or by Lender.

Prior to commencement of Restoration and at any time during Restoration, if the estimated cost of Restoration, as reasonably determined by Landlord or Lender, exceeds the amount of the Restoration Fund, the amount of such excess shall be paid by Tenant to the Trustee to be added to the Restoration Fund prior to any further disbursement or Tenant shall fund at its own expense the costs of such Restoration until the remaining Restoration Fund is sufficient for the completion of the Restoration. Except for the payment to Landlord or Lender of the net surplus award referred to in Paragraph 12(c), any sum in the Restoration Fund which remains in the Restoration Fund upon the completion of Restoration shall be paid to Tenant. For purposes of determining the source of funds with respect to the disposition of funds remaining after the completion of Restoration, the Net Proceeds or the Restoration Award shall be deemed to be disbursed prior to any amount added by Tenant.

16. Subordination to Financing.

(a) Subject to the following provisions of this Paragraph 16(a), Tenant agrees that this Lease shall at all times be subject and subordinate to the lien of any Mortgage, and Tenant agrees, upon demand, without cost, to execute instruments as may be required to further effectuate or confirm such subordination. So long as no Event of Default shall be outstanding, Tenant's tenancy shall not be disturbed, nor shall this Lease be affected by any default under such Mortgage, and in the event of a foreclosure or other enforcement of any such Mortgage, or sale in lieu thereof, the purchaser at such foreclosure sale shall be bound to Tenant for the Term of this Lease and any extensions thereof, the rights of Tenant hereunder shall expressly survive, and this Lease shall in all respects continue in full force and effect so long as no Event of Default by Tenant has occurred and is continuing. So long as no Event of Default by Tenant has occurred and is continuing, Tenant shall not be named as a party defendant in any such foreclosure suit, except as may be required by law. Any Mortgage to which this Lease is now or hereafter subordinate shall provide, in effect, that during the time this Lease is in force all insurance proceeds and condemnation awards shall be permitted to be

used for restoration in accordance with the provisions of this Lease. Upon any foreclosure, or the delivery of a deed in lieu thereof or any other enforcement of the Mortgage, neither Lender, its successor nor any purchaser at foreclosure shall disturb the tenancy of any Qualified Subtenant referred to in Paragraph 17(c) below that is entitled to nondisturbance as set forth in such subparagraph (and for whom nondisturbance has been requested at any time before Landlord or Lender has elected to terminate this Lease as a result of the occurrence of an Event of Default by Tenant); provided, however, that the nondisturbance of such Qualified Subtenant shall be subject in all cases to the conditions and limitations set forth in Paragraph 17(c) below.

(b) Notwithstanding the provisions of subdivision (a) of this Paragraph 16, the holder of the Mortgage to which this Lease is subject and subordinate, as provided in said subdivision (a), shall have the right, at its sole option, at any time, to subordinate and subject the Mortgage, in whole or in part, to this Lease by recording a unilateral declaration to such effect.

(c) At any time prior to the expiration of the Term, Tenant agrees, at the election and upon demand of any owner of the Leased Premises, or of Lender who has granted non-disturbance to Tenant pursuant to Paragraph 16(a) above, to attorn, from time to time, to any such owner or Lender, upon the then executory terms and conditions of this Lease, for the remainder of the term originally demised in this Lease and for any renewal term, provided that such owner or Lender shall then be entitled to possession of the Leased Premises subject to the provisions of this Lease. The provisions of this subdivision (c) shall enure to the benefit of any such owner or Lender, shall apply notwithstanding that, as a matter of law, this Lease may terminate upon the foreclosure of the Mortgage, shall be self-operative upon any such demand, and no further instrument shall be required to give effect to said provisions.

(d) Each of Tenant, Landlord and Lender agrees that, if requested by any of the others, each shall, without charge, enter into a Subordination, Non-Disturbance and Attornment Agreement in the form attached as Exhibit "D" hereto.

17. Assignment, Subleasing.

(a) Tenant or its wholly owned subsidiary is currently in occupancy and is operating its business at the Leased Premises. Tenant may assign its interest in this Lease without the prior written consent of Landlord. Tenant shall, however, give Landlord and Lender prior written notice of Tenant's intent to assign its interest in this Lease or sublease any portion of the Leased Premises promptly upon electing to do so. No sublease under, including, but not limited to, a Qualified Sublease (as defined in Section 17(c) herein), or assignment of this Lease (or any rejection in bankruptcy or other default by any assignee or sublessee hereunder) shall relieve the original Tenant hereunder of its obligations hereunder, for which it shall remain primarily liable, and upon any assignment or sublease hereunder, including, but not limited to, a Qualified Sublease (as defined in Section 17(c) herein), the original Tenant shall acknowledge in writing in favor of Landlord and Lender that such obligations are not affected by such assignment or sublease.

(b) Each sublease of the Leased Premises or any part thereof shall be subject and subordinate to the provisions of this Lease. Tenant agrees that in the case of an assignment, Tenant shall, within fifteen (15) days after the execution and delivery of any such assignment, deliver to Landlord (i) a duplicate original of such assignment in recordable form and (ii) an agreement executed and acknowledged by the assignee in recordable form wherein the assignee shall agree to assume and agree to observe and perform all of the terms and provisions of this Lease on the part of the Tenant to be observed and performed from and after the date of such assignment, and, in the case of a sublease, Tenant shall, within fifteen (15) days after the execution and delivery of such sublease, deliver to Landlord a duplicate original of such sublease.

(c) Landlord recognizes that there may currently be constructed or Tenant may intend to construct certain leasable space (the "Spec Space") at the Leased Premises other than the portion of the Leased Premises as of the date hereof operated as a Circuit City Store,

which Spec Space is or shall be either a separate building or connected to the other Improvements but separated therefrom by a demising wall, for the specific purpose of generating sublease income to the Tenant. Any such additional Spec Space shall be constructed at Tenant's sole cost and expense, and such construction shall be deemed an Alteration under this Lease and shall be performed in accordance with the terms of this Lease, however, Landlord agrees that Paragraph 11(vi) shall not apply to the construction of the Spec Space. Landlord agrees for itself, its successors and assigns, promptly upon Tenant's request, to enter into a nondisturbance and attornment agreement (containing the provisions set forth below and otherwise in form satisfactory to Lender in its reasonable judgment) with any Qualified Subtenant, as defined below, of the Spec Space (a "Shop Tenant") or any Qualified Subtenant of the entire portion (the "Anchor Space") of the Leased Premises currently operated by Tenant as a Circuit City retail store (an "Anchor Tenant") upon the terms described below, pursuant to which Landlord shall agree, for so long as such Qualified Subtenant is not in default under its Qualified Sublease, as defined below, that the Qualified Sublease shall not be terminated as a result of any termination of this Lease and such Qualified Subtenant's use and occupancy of the premises demised pursuant to the Qualified Sublease shall not be disturbed by Landlord, and pursuant to which such Qualified Subtenant shall agree to attorn to Landlord or its successor as landlord under the Qualified Sublease upon any termination of this Lease. Said agreement shall be substantially to the same effect as any similar agreement then existing between Landlord, Tenant and Lender, and shall further provide that nothing therein contained shall impose any obligation on the Landlord, the then owner or the Lender or their respective successors to (i) return or apply any security deposited under such sublease, unless such security shall be transferred and turned over to the Landlord, such then owner or Lender, (ii) expend any sums to make any installations or alterations provided to be made by the sublessor under said sublease or reimburse the subtenant under said sublease for any installations or alterations made by it, (iii) be liable for any act or omission of any prior sublessor except that the foregoing shall not prevent any Shop Tenant's exercising any right of termination or any right

of substitute cure and resulting offsets against rent as the result of any continuing default of the prior sublessor relating to its repair, maintenance or service obligations under the Qualified Sublease, (iv) be subject to any offsets or defense which such subtenant might have against any prior sublessor, (v) be bound by any rent or additional rent which such subtenant might have paid for more than the current rent to any prior landlord, or (vi) be bound by any amendment or modification of the sublease made without the prior written consent of Landlord, the terms of which amendment or modification if included in the original sublease would have prevented such sublease from meeting the criteria for a Qualified Sublease. Any subtenant under a Qualified Sublease, as defined below, is a "Qualified Subtenant." With respect to any Spec Space, a "Qualified Sublease" shall be any sublease of the Spec Space, or any portion thereof that (x) requires the tenant thereunder to pay at least its pro rata share (based on the portion of the gross leasable area at the Leased Premises demised under the Qualified Sublease) of Taxes assessed against the Leased Premises and common area maintenance costs incurred with respect to the Leased Premises (which payment amounts may be included in the rent such Qualified Subtenant is required to pay), (y) exculpates the Landlord, its successor and assigns (including any mortgagee of Landlord or purchaser at sale pursuant to foreclosure under any mortgage granted by Landlord) from all personal liability whatsoever (regardless when arising) under the Qualified Sublease regardless of whether Landlord or such successor or assign becomes the landlord under the Qualified Sublease, and (z) requires such Qualified Subtenant to maintain the nonstructural components of the premises demised under the Qualified Sublease in accordance with the maintenance standards set forth in this Lease. With respect to the Anchor Space, a "Qualified Sublease" shall be any absolute net sublease (that is, a sublease that requires the uninterrupted payment of rent without offset or diminution, that confers all rights to condemnation awards (other than a separate award for moving expenses and subtenant's fixtures) upon the sublessor, and that places no obligations upon the sublessor thereunder other than those of the type placed upon Landlord hereunder) of the entire Anchor Space that has a term expiring before or simultaneously with the expiration of the Term

hereof, pursuant to which the subtenant thereunder had, at the time such sublease was entered into, a Standard & Poor's investment grade rating of at least BBB- or a Moody's investment grade rating of at least Baa3 (or equivalent rating of any other generally recognized rating organization) and was not on credit watch and pursuant to which the subtenant thereunder is required to fulfill all of the obligations of Tenant hereunder, including, without limitation, payment of rent which shall at all times be equal to or greater than the rent which Tenant is required to pay (including all Base Rent and Additional Rent) hereunder and at the same times that installments of Base Rent and payments of Additional Rent are due hereunder.

(d) Upon the occurrence of an Event of Default under this Lease, Landlord shall have the right to collect and enjoy all rents and other sums of money payable under any sublease of any of the Leased Premises, and Tenant hereby irrevocably and unconditionally assigns all rights under any such sublease including such rents and money to Landlord, which assignment may be exercised upon and after (but not before) the occurrence of an Event of Default.

18. Permitted Contests. Notwithstanding any provision of this Lease to the contrary, after prior written notice to Landlord, Tenant shall not be required to (i) pay any Tax, (ii) comply with any Legal Requirement, or (iii) discharge or remove any lien, so long as Tenant shall contest, in good faith and at its expense, the existence, the amount or the validity thereof, the amount of the damages caused thereby, or the extent of its or Landlord's liability therefor, by appropriate proceedings which shall operate during the pendency thereof to prevent (v) the collection of, or other realization upon, the Tax or lien so contested, (w) the sale, forfeiture or loss of any of the Leased Premises, any Basic Rent or any Additional Rent to satisfy the same or to pay any damages caused by the violation of the same, (x) any interference with the use, occupancy, sale or financing of any of the Leased Premises, (y) any interference with the payment of any Basic Rent or any Additional Rent, and (z) the cancellation of any fire or other insurance policy. In no event shall Tenant pursue any contest with respect to any Tax, Legal Requirement, or lien referred to above in such manner that exposes Landlord to any

criminal or material civil liability, penalty or sanction for which Tenant has not made provisions reasonably acceptable to Landlord and Lender. Tenant shall be deemed to have made provisions reasonably acceptable to Landlord and Lender if Tenant shall have provided Lender or Landlord in that order as security for such contest, an amount of cash or bond equal to 125% of the amount being contested, or other security satisfactory in the reasonable opinion of Lender or Landlord in that order, in assuring the payment, compliance, discharge, removal or other action, including all costs, attorneys' fees, interest and penalties, in the event that the contest is unsuccessful. No such security shall be required if the amount involved in the contest shall not exceed one tenth (1/10th) of one percent (1%) of the tangible net worth of the original Tenant hereunder, computed in accordance with generally accepted accounting principles consistently applied as determined by its most recent publicly filed financial statements (10Q and 10K) if Tenant is a publicly held company. While any such proceedings are pending and the required security is held by Lender or Landlord, in that order, Lender or Landlord, as the case may be, shall not have the right to pay, remove or cause to be discharged the Tax, Legal Requirement or lien thereby being contested unless Landlord or Lender reasonably believes that any one or more of the conditions in subdivisions (v) through (z) shall not be prevented during the pendency of the contest. Tenant further agrees that each such contest shall be promptly and diligently prosecuted to a final conclusion, except that Tenant shall, so long as all of the conditions of the first sentence of this Paragraph 18 are at all times complied with, have the right to attempt to settle or compromise such contest through negotiations. Tenant shall pay any and all judgments, decrees and costs (including all attorneys' fees and expenses) in connection with any such contest and shall, promptly after the final determination of such contest, fully pay and discharge the amounts which shall be levied, assessed, charged or imposed or be determined to be payable therein or in connection therewith, together with all penalties, fines, interest, costs and expenses thereof or in connection therewith, and perform all acts the performance of which shall be ordered or decreed as a result thereof.

19. Default. The occurrence of any one or more of the following events shall constitute an Event of Default under this Lease:

(a) Tenant's failure to make any payment of Basic Rent when due which continues unremedied for a period of five (5) days after notice thereof from Landlord or Lender.

(b) Tenant's failure to make payment of Additional Rent or other sum herein required to be paid by Tenant and such default shall continue for a period of fifteen (15) days after notice by Landlord or Lender to Tenant.

(c) Tenant's failure to duly perform and observe, or Tenant's violation or breach of, any other provision hereof if such failure shall continue for a period of thirty (30) days after notice thereof from Landlord or Lender, or if such failure cannot be cured within such period of thirty (30) days, such period shall be extended for such longer time as reasonably necessary provided that Tenant has commenced to cure such default within said period of thirty (30) days and is actively, diligently and in good faith proceeding with continuity to remedy such failure.

(d) The original Tenant hereunder shall (i) voluntarily be adjudicated a bankrupt or insolvent, or (ii) consent to the appointment of a receiver or trustee for itself or for any of the Leased Premises, (iii) file a petition seeking relief under the bankruptcy or other similar laws of the United States, any state or any jurisdiction, or (iv) make a general assignment for the benefit of creditors.

(e) By the order of a court of competent jurisdiction, a receiver or liquidator of Tenant or of all or substantially all of the assets of Tenant or the Leased Premises shall be appointed and not be dismissed within sixty (60) days after such appointment, or if by decree of such court Tenant shall be adjudicated a debtor or insolvent or the Leased Premises or any of Tenant's property shall have been sequestered, and such decree shall have continued undischarged and unstayed for sixty (60) days after the entry thereof; or if any proceeding

under the Federal Bankruptcy Code, Title 11, United States Code (including Chapters 7, 11 or 13 thereof, or any amendment thereto or any successor thereof) or any similar statute applicable to Tenant (including state insolvency statutes), as now or hereinafter in effect, shall be instituted against Tenant and shall not have been dismissed within sixty (60) consecutive days after such filing, or if Tenant shall institute any such proceeding or shall consent to the institution of any such proceeding against it under any such law.

(f) The original Tenant hereunder shall in any insolvency proceedings be liquidated or dissolved or shall begin proceedings towards its liquidation or dissolution.

(g) The estate or interest of Tenant in any of the Leased Premises shall be levied upon or attached in any proceeding and such estate or interest is about to be sold or transferred or such process shall not be vacated or discharged within sixty (60) days after such levy or attachment.

20. Landlord's Remedies. After the occurrence of an Event of Default by Tenant, Landlord shall have the right to exercise the following remedies:

(a) Landlord may, at its option, continue this Lease in full force and effect, without terminating Tenant's right to possession of the Leased Premises, in which event Landlord shall have the right to collect Basic Rent and all other Rent and charges when due. In the alternative, Landlord shall have the right to peaceably re-enter the Leased Premises on the terms set forth in subparagraph (b) below, but without such re-entry being deemed a termination of the Lease or an acceptance by Landlord of a surrender thereof. Landlord shall also have the right, at its option, from time to time, without terminating this Lease, to relet the Leased Premises, or any part thereof, with or without legal process, as the agent, and for the account, of Tenant upon such terms and conditions as Landlord may deem advisable (which terms may be materially different from the terms of this Lease), in which event the rents received on such reletting shall be applied (i) first to the reasonable and actual expenses of such reletting and collection, including without limitation necessary renovation and alterations of the

Leased Premises, reasonable and actual attorneys' fees and any reasonable and actual real estate commissions paid, and (ii) thereafter toward payment of all sums due or to become due Landlord hereunder. If a sufficient amount to pay such expenses and sums shall not be realized or secured, then Tenant shall pay Landlord any such deficiency monthly, and Landlord may bring an action therefor as such monthly deficiency shall arise. Landlord shall not, in any event, be required to pay Tenant any sums received by Landlord on a reletting of the Leased Premises in excess of the rent provided in this Lease, but such excess shall, notwithstanding the provisions of Paragraph 5, reduce any accrued present or future obligations of Tenant hereunder. Landlord's re-entry and reletting of the Leased Premises without termination of this Lease shall not preclude Landlord from subsequently terminating this Lease as set forth below.

(b) Landlord may terminate this Lease by written notice to Tenant specifying a date therefor, which shall be no sooner than twenty (20) days following notice to Tenant, and this Lease shall then terminate on the date so specified as if such date had been originally fixed as the expiration date of the Term. In the event of such termination, Tenant shall pay the following to Landlord on such date:

(i) Any obligation which has accrued prior to the date of termination.

(ii) The amount by which the unpaid Basic Rent and all other charges which would have accrued for the balance of the Term (excluding any option periods or portions thereof) exceeds the amount of the fair and reasonable rental value of the Leased Premises in respect of such period, in each case, after discounting same to present value at a discount rate equal to the Default Rate.

Landlord shall not have any duty to mitigate its damages hereunder (including, but not limited to, any duty to relet or re-lease The Leased Premises). The amount of rent reserved by Landlord in any reletting of the Leased Premises, or any portion thereof, the costs of such reletting and any lost rent during the period after the Event of Default giving rise to

termination, shall be considered in ascertaining the "fair and reasonable rental value" of the Leased Premises, or such portion thereof, as the case may be. Following the date of termination, interest shall accrue on the sums payable by Tenant at the Default Rate.

In the event this Lease shall be terminated as provided above, by summary proceedings or otherwise, Landlord, its agents, servants or representatives may immediately or at any time thereafter peaceably re-enter and resume possession of the Leased Premises and remove all persons and property therefrom, by summary dispossession proceedings. Except as provided in Paragraph 9 or 13(e), at any time upon prior notice to Tenant, Landlord and Lender shall have the right, but shall not be required, to pay such sums or do any act which requires the expenditure of monies which may be necessary or appropriate by reason of the failure or neglect of Tenant to comply with any of its obligations under this Lease (Landlord and Lender shall not, however, exercise any such rights unless the failure or neglect shall have ripened into an Event of Default), and in the event of the exercise of such right by Landlord or Lender, Tenant agrees to pay to Landlord or Lender forthwith upon demand, as Additional Rent, all such sums including reasonable attorneys fees, together with interest thereon at the Default Rate.

(c) Landlord may recover from Tenant, and Tenant shall pay to Landlord upon demand, as Additional Rent such reasonable and actual expenses as Landlord may incur in recovering possession of the Leased Premises, placing the same in good order and condition and repairing the same for reletting, and all other reasonable and actual expenses, commissions and charges incurred by Landlord in exercising any remedy provided herein or as a result of any Event of Default by Tenant hereunder (including without limitation attorneys' fees), provided that in no event shall Tenant be obligated to compensate Landlord for any speculative or consequential damages caused by Tenant's failure to perform its obligations under this Lease.
